Title Slides: Title slides are slides that contain text. They can be used to describe a group of photos, or be displayed over a photo. You might want to use a title slide as the first picture in your slideshow to act as a title for the show or you might want a caption that adds humor to one of your photos. Three title slides are included with every slideshow. You may add as many as you like. Additional Title slides are \$2.50 each. If you do not want any title slides please leave this section blank or write none below. Please circle **before** for the title to appear '**before**' as specific photo # or circle **over** for the title to appear '**over**' a specific photo number.

Music: Music you provide can be included at no charge to your slide show. Please include the appropriate amount of music with your order. Multiply the number of slides or photos your show will have by the length, specified above, for each slide to determine the length of your show. For example a slide show with 50 photos and each photo showing for 10 seconds would end up being 500 seconds, or just over 8 minutes in length. Therefore you would need to provide us with 8 minutes worth of music. We can accept music on CD or in MP3 format. Please list below the songs, their location, and the order they will play. RJC Video Services can, for an additional fee, provide music for you. Price is listed below. While we will make every attempt to find music for you, there may be certain songs unavailable. Please contact us for more information and read our 'Copyright Liability Agreement' below.
